

Thank you for considering Wallace Productions for your next commercial, music video, event, or photo shoot. Wallace Productions is located at 41st and Memorial in Tulsa, OK. Please take a moment to read over our 'Terms and Conditions.' If you have any questions, please get in touch with us at 918-600-4773, or email us at austinwallace918@gmail.com.

Rate: Pricing is based on a per project basis.

Parameters:

- Turnaround time for most projects is seven (7) days.
- All music videos with a song length that exceeds four (4) minutes will be up charged, depending on the length.
- One revision included (20 minutes or less, depending on the extent of modifications required). Additional revisions are priced based on the complexity of the modification.
- No restrictions on the number of locations per project, but drive time between locations is included in the project's total time.

Travel:

- \$50 per hour (round-trip) travel fee is added to any project outside the Tulsa Metro Area (including Texas, Arkansas, Kansas, and Missouri). For example, Oklahoma City would be an additional \$150 added to the project's cost (1.5 hours from Tulsa). All other destinations not mentioned above are priced on a project-by-project basis.

Deposit, Rescheduling, and Timing Parameters:

- Deposits are 50% of the total project rate and **must** be paid upfront to schedule. No exceptions. For example, if your project is \$500, the required deposit is \$250. We accept cash, PayPal, Venmo, Cash App, and Zelle. **DEPOSITS ARE NON-REFUNDABLE** and cannot be transferred/gifted toward another client's project. **NO EXCEPTIONS.**
- A rescheduling fee of \$100 is charged for any circumstance (except inclement weather) in Oklahoma, Texas, Arkansas, Kansas, or Missouri. Rescheduling fees outside these areas are quoted on a project-by-project basis based on flight/hotel arrangements. This policy is in place to discourage rescheduling and loss of time and revenue on Wallace Productions' part.
- Projects begin and end at the scheduled time. No exceptions. For example, if the shoot is scheduled from 2:00 to 6:00 PM and the client arrives at 2:45 PM, the session begins at 2:00 PM and ends at 6 PM **whether you are present or not.** Additional time may be purchased at \$100 per hour if our schedule permits.

Equipment:

- Drone footage, Go Pro and chest harness footage, RGB lighting, and smoke machines are included if desired. If equipment in addition to a camera, speaker, stabilizer, and drone is needed, the client **must inform us in advance.** We only travel to shoots with the equipment requested.

Additional services we offer:

- Additional videographers are \$50 per hour, per videographer.
- Green screen services are priced on a project-by-project basis.
- Storyboarding sessions start at \$100. This session can be done virtually or in person once the deposit is received.
- A-Z Treatments - Scouting locations, hiring models and dancers, purchasing props, etc., is a free service based on the project's budget.

Restrictions:

- Any violence and/or disrespect to the videographer(s) will result in a permanent ban from Next Up Studios, loss of deposit, and if needed, police involvement.
